

16 to 19 Defined Vulnerable Group Bursary Fund Application Form 2023/24

The defined vulnerable group bursary is up to £1,200 per year but could be less depending on the financial need. Eligible students will need to apply for the bursary each year. Students are encouraged to apply at the start of the academic year. Meeting the criteria does not guarantee payment of the bursary if the student's financial needs have already been met by other sources. The deadline for claims for academic year Sep 2023 – Jul 2024 is 31 July 2024.
